

Disability Access

Access to the SCITT Training Centre for wheelchairs and prams is via the main Moor End Academy entrance or from the path on Dryclough Road.

Both access routes are via wide pathways and are step-free. Access to the building can also be made via the ramp. The building itself is on one level and there are no steps inside. Doorways are wide enough to allow wheelchairs.

If you are planning to visit our Centre, please telephone us on 01484 503111 or 07590 881459 so that we can make any necessary arrangements and assist with the opening and closing of our gates.

When placing you in your host school(s) we will consider the accessibility of the school buildings to ensure ease of access
