

Disability Access

Access to the SCITT Training Centre, which is based in Beaumont Primary Academy, for wheelchairs and prams is via the main Moor End Academy entrance.

The access routes are via wide pathways and are step-free. The building itself is on two levels, with the training rooms based on the second floor, and there is a lift in the school. Doorways are wide enough to allow wheelchairs.

If you are planning to visit our Centre, please telephone us on 01484 503116 or 07590 881459 so that we can make any necessary arrangements and assist with the opening and closing of our gates.

When placing you in your host school(s) we will consider the accessibility of the school buildings to ensure ease of access
