Huddersfield Horizon SCITT Annual Statement for 2019

This is the Annual Statement for Huddersfield Horizon SCITT for the calendar year ended 31 December 2019. It shows the record of Huddersfield Horizon SCITT in handling complaints and appeals in that year.

Huddersfield Horizon SCITT is a provider of school-centred initial teacher training (or SCITT). The OIA does not collect trainee number data for its SCITT members since their OIA core subscriptions are not calculated by reference to trainee numbers. The OIA's SCITT members vary in terms of their trainee numbers and so the OIA does not calculate median comparison data for its SCITT members.

Completion of Procedures (COP) Letters issued

A trainee who has a COP Letter may not necessarily be unhappy with the outcome. Our [Guidance](#) on COP Letters says that providers should issue a COP Letter when they have upheld a complaint (or appeal), if the trainee asks for one. So it is difficult to compare "like with like".

Engagement with the OIA in 2019

This section includes general information about all providers' engagement with us in 2019. Where relevant, we include specific information about the individual provider as well.

Settlement of complaints made to the OIA

In 2019 we continued to look for opportunities to resolve complaints as early as possible. 10% of all the complaints we closed in 2019 were resolved by settlement.

Response times to our information requests

A key time frame for our review of a complaint is the time it takes for the provider to respond to our initial request for information that we need to review a case. In 2019, the average number of days providers took to respond to our request for this information was 28 days. In 2019, 7 providers took an average of less than 20 days. This is hugely helpful to us. However, 56 providers took on average more than 30 days to respond.

If a provider does not provide information we request during the course of our review, or does not provide it within the time limits set, the Independent Adjudicator may report it to the Board, and may publicise it in our Annual Report.

Compliance with OIA Recommendations

Where we decide that a complaint is Justified or Partly Justified we will usually make Recommendations to the provider. We expect providers to comply with our Recommendations fully and promptly. We monitor compliance carefully and the Independent Adjudicator must report a provider's non-compliance to the OIA's Board and publish it in our Annual Report.

Providers complied promptly with 94% of "student-centred" Recommendationsⁱ with due dates in 2019. On average, providers took 20 days to comply with "student-centred" Recommendations with a due date in 2019.

Outreach events

In 2019, we ran a wide-ranging outreach programme including seminars, webinars, workshops and visits by OIA staff to individual providers. We hope that these events proved useful and informative for our member providers.

📌 "student-centred" Recommendations These are recommendations which affect the individual student, such as a Recommendation for a rehearing or the payment of compensation. The OIA also makes “good practice Recommendations”, such as a Recommendation to change or review procedures.
